## Door Security Procedures

The Door Security Procedures (DSP) is the qualification required to apply for a Door Security Procedures licence with the Private Security Authority (PSA). This licence is the minimum requirement to operate, or gain employment, as a doorman or doorwoman in Ireland.

Following successful completion of the programme, learners may apply for licensing under the Door Supervisor (licensed premises) Licence category.

### Programme Aims

The aim of this programme is to provide learners with an introductory understanding of practical door security duties and procedures. As such, learners will:

- Be familiar with the duties and responsibilities of Door Security Personnel
- Be aware of the legal codes which apply
- Understand what constitutes an emergency and the recommended responses to an emergency
- Develop and apply relevant communication skills.

### Entry Requirements

No previous experience is necessary. A FETAC Level 3 Certificate is desirable, or some equivalent qualifications or relevant life and work experiences.

All students attending the course must bring to their training day:

- Their PPS number (For course documentation).
- Two recent personal passport size photographs. (These photographs must have been taken within the last twelve months, and participant's name must be printed on the back)
- A photocopy of participant's ID such as Driving Licence or Passport.

### **Programme Duration**

1 day

### **Learner Assessment**

To achieve certification, learners will undertake skills demonstrations and assignments. An examination is required to be completed, using a true/false question format.

### **Learner Progression**

C10267 - Door Security Procedures is a component of:  
CBSSXX - FETAC Level 5 Certificate in Security Studies

Learners who successfully complete the programme may use the associated credits towards this award.

### **Qualification**

On successful completion of the course, delegates will receive a FETAC Level 4 Certificate in Door Security Procedures.
